

The diagram shows a rectangular grid structure. The top edge is labeled 101, the right edge is labeled 103, and the bottom edge is labeled 107. The left edge is labeled 106. The grid is divided into several horizontal sections by thicker lines. These sections are labeled on the right side with curly braces: 108 (top section), 109, 110, 111, 112, 113, and 114 (bottom section). On the left side, near the top, there are labels 104 and 105 pointing to specific horizontal lines. A wavy line on the left side is labeled 100. The grid itself is composed of many small squares.
